The Elisabeth Curtis Centre, a Riding for the Disabled Centre, has a vacancy for an instructor/coach for our Saturday morning riding session. We require a BHS AI or equivalent instructor for 4 hours, from 9am, on a Saturday morning during **school term times only**. RDA training and assessment will be provided.

The post holder will be required to work with and train a team of volunteers to provide riding sessions for groups of up to six disabled riders, and then complete the relevant paperwork relating to the session. Sound organisational and people management skills are required. The post holder may also be required to supervise trainee coaches, whilst they coach a riding session.

As this vacancy involves working with vulnerable individuals, a DBS check will be required for any successful applicant. The post is on a freelance/self-employed basis.

Please contact Liz Riding on 01234 771669 if you have any queries or would like any further information
