

A message from coaches...

Elisabeth Curtis Centre, Riding for the Disabled

Dear Riders / Carers

I do hope you are keeping well in these unprecedented times.

As promised last week we mentioned that we would be getting in touch over the coming weeks with different activities for riders to take part in whilst we are closed.

Please find attached our ECC drawing frame and story template. As you may have seen over the last few days, on Facebook, we are aiming to share some positive photos of life here at the centre; which continues in its basic form as essential care for our ponies. What we would love is for you to get creative and draw your favourite pony here at the centre and share a story / memory or simply a reason why they are your favourite.

If you are then able to scan it in at home (preferred) or take a photo of it and email back we would like to share it on our Facebook page over the coming weeks with the rest of our followers / supporters. We do not have to identify names, if preferred, and can use initials however do let us know when you send it back in.

We will be back in touch in the weeks ahead with different resources and activities to get stuck into, which should help pass the time.

As a reminder, RDA UK has confirmed that the Regional Qualifiers and National Championships have been cancelled and we will work to return any monies paid to enter. Please do bear with us while we work through this. A massive thank you to Abbie who has made contact with those affected, but if you haven't yet been

contacted and thought you were attending please do let us know via email.

Thank you,

Kyle Palmer & the coaching team
