

Horse Care 1

I am starting to know the parts of a horse's body.

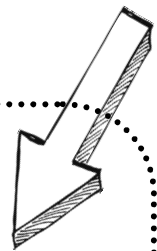

Activity

Carefully stick a picture of a horse, or draw one yourself, in the box on this page.

Then, label its:

- ◆ eyes
- ◆ ears
- ◆ mouth
- ◆ neck
- ◆ legs

*Add a nice
picture of a
horse or
pony here!*

Optional extension activity:

Do you know any other parts of the horse's body?

Try to label those too, if you can.
